*BEST BEER*

TRADITIONAL  
SINCE 1890

You'll like drinking  
**Pepsi-Cola** it's  
*MORE* than refreshing!

There's **PEP-PEP-PEP**  
in **PEPSI-COLA**

Pepsi-Cola has it - that extra-special something that makes you want it next time. We call it refreshment plus, but whenever you call it, Pepsi's a drink in a million.

Just take Pepsi's points: it's got a taste to enjoy,  
it's a thirst quencher that really quenches,  
and it leaves you brighter than it found you.

Try a Pepsi when you're thirsty.

Pepsi-Cola is bottled in the United Kingdom under license from Pepsi-Cola Limited.

A nighttime photograph of a city skyline. The central focus is a tall, cylindrical skyscraper with a distinctive white, fan-like structure at its top, illuminated with bright white and blue lights. To its right, another skyscraper with a similar top structure is visible. On the far right, a modern glass skyscraper is lit up with blue and white lights. The sky is dark, and the overall atmosphere is that of a vibrant, modern city at night.
